

Commissioners Lytal and Sundy Returned To Office By Decisive Majorities In County-Wide Voting

Running county-wide for the first time in the history of Palm Beach County proved no handicap for County Commissioners Lake Lytal and Ben Sundy in Tuesday's voting. Both were returned to office for another four year term by handsome majorities by the voters of the county.

Lytal won decisively over his opponent Arthur Hamilton with the votes tallied as follows: Lytal 15,278 and Hamilton 6,217. Ben Sundy received 10,062 while his opponent Lloyd Benson received 6,850.

Lytal, presently serving as chairman of the County Commission,

was given the highest vote of any candidate in the county. Second high man in the vote total column was F. O. Dickinson, running for state representative.

Approximately 50 per cent of the county's 55,000 registered voters took part in the election yesterday.

In running up his victory, Lytal went to two extremes in two of the county's precincts. At Brown's Farm, Hamilton drew all of the precinct's 13 votes and Lytal drew not a single tally. In precinct 27 at Delray Beach, Lytal got 297 votes and Hamilton got a single vote.

Following receipt of returns in

the County Registrar's office Commissioner Lytal said: "I am greatly appreciative of the wonderful vote given me by the voters of Palm Beach county. However, I do not consider it a personal victory. I believe the voters of the county have expressed their approval of the manner in which the board of County Commissioners is operated. It is a five-man board and at all times we exert every effort to meet the needs of the citizens and taxpayers of this great county. In making this first race county wide for the county commission I have met with wonderful encouragement and support and I want to thank

each and every person who assisted in my reelection."

Commissioner Ben Sundy, who is serving his first term on the board, and who sought reelection in Tuesday's voting said following tabulation of the returns: "It is with sincere appreciation that I extend my thanks to those fine people who saw fit to elect me to office. I am grateful for the excellent vote given me over the entire county and I shall continue to make every effort to serve the people of Palm Beach County to the very best of my ability."

Other county races included the one between Thurmond W. Knight and A. Q. Howell for membership

on the county school board. Mr. Knight received 9,839 votes and Mr. Howell received 6,946 in county-wide voting.

Mrs. Elizabeth Hand of Delray was returned to her seat on the county school board by a vote of 8,961 to 7,501 for Charles V. Weaver of Delray.

Ralph Kettler, incumbent School Board member in District 5, was unopposed by any other Democratic candidate in the primary, and has no Republican opposition in November.

J. Louie Carter was renominated without opposition to the office of clerk of the criminal court of record.

Moberg To Conduct Baptist Revival

Pahokee residents will renew an acquaintance of long standing next week when the Rev. Carl A. Moberg conducts revival services at the First Baptist Church. The meeting begins this Sunday and closes Sunday, May 16th.

Moberg was pastor here for eight years, having gone from Pahokee to Miami's Little River Baptist Church in 1948. He is one of Miami's most popular pastors and is president of the Miami Ministerial Association.

During the ministry of evangelist here the church made its most outstanding growth. Both the present auditorium and educational buildings were constructed under his leadership. The Sunday School enrollment increased from about 150 to 400. This was largely due to a large men's Bible class organized during his pastorate.

In announcing the revival services, Hal Hunter, present pastor, stated that the choir would be a men's chorus. He added that several music specials have already been arranged.

Services will be at 7 a. m. and 7:45 p. m. Hunter said "The morning service will be brief—about 45 or 50 minutes long." The church nursery will be open for each service.

J. V. Thomas, accompanied by his sister, Mrs. Edna Barrett, and his brother-in-law and sister, Mr. and Mrs. Fred Hand, returned home Monday after spending the weekend at Waycross, Ga., where they attended a reunion of the Thomas family.

Johns, Collins In May 25th Run-Off

The run-off election on Tuesday, May 25, will be between Acting Governor Charley Johns and State Senator LeRoy Collins. On Tuesday the acting governor was high man with 249,594 votes and Senator Collins was second with 217,146. Brailey Odham came in third with 186,290 votes.

Both political camps are making plans for the final days of the campaign when a heated battle is expected to develop between the two camps supporting their individual candidates. Odham, Sanford oil dealer, in a statement election night said that he was going to throw his support to Senator Collins. How many of his supporters will follow him is a matter of conjecture.

In Palm Beach county Senator Collins was top man with 9,325 votes and Johns second with 8,380 while Odham tallied 7,230.

Methodists Reach Half-Way Mark In Building Campaign

Members of the Pahokee First Methodist Church have already passed the halfway mark of their \$60,000 goal in the current building fund campaign for a new educational building for the church, according to Dr. Rembert A. Guy, pastor of the church and director of the campaign.

The campaign was launched Tuesday evening when Bishop John Branscomb, bishop of Methodist Churches of Florida and Cuba, addressed the church membership and friends at a mass meeting in the church auditorium.

Brown's Farm Fails To Show Election Trend This Time

WEST PALM BEACH — The legend of Brown's Farm, tiny Palm Beach county precinct in the Glades, was busted when primary votes were canvassed here Wednesday.

This precinct, always first in the county, and sometimes first in the nation to report its returns, gained the tradition: "as Brown's Farm goes, so goes the election."

When it reported early Tuesday morning, not one of its 13 votes was cast for Lake Lytal, county commission chairman. Lytal doesn't mind saying it gave him election jitters.

But when the canvassing board tallied the count Wednesday afternoon, Lytal was declared a winner with 15,278 votes, more than were cast for any other candidate in the county.

As Brown's Farm went, every other precinct took the other path.

The annual convention of the Florida Dairy Association will be held at Daytona Beach May 26, 27, 28.

Clyde Alley Will Speak To C. P. Lions

Principal Clyde Alley of the Canal Point School will talk to the Lion's Club of Canal Point Monday night 7 p. m. on the subject, "When the Report Card Comes Home."

Pahokee Band In Contest At Tampa

The Pahokee High School Band left with its director, Bandmaster Robert O. Lampi at 7:30 a. m. Wednesday for Tampa, where it will compete in the State Band Contest to be held in that city May 5-7.

Accompanying the band and acting as chaperones on the trip will be Mrs. John T. Pickett, Mrs. Homer Barnes, Mrs. O. D. Carpenter, Mrs. James Miller and Mrs. R. L. Lampi. Mrs. Lampi will also act as recording secretary to the band while it is participating in the State Contest.

The famed Ponce de Leon Springs aquabats will provide the feature entertainment at the 1954 Florida Watermelon Festival in Leesburg May 19.

Loren Meredith Wins Single Contest

Loren Meredith, Pahokee cattleman and corn harvest contractor, was re-elected councilman, group 3, receiving 334 votes as compared to 231 votes for his opponent, R. D. Hardaway, in the only contest of the Pahokee city election Tuesday. Meredith is beginning his second term of office as councilman.

Other candidates, all of whom were re-elected and eased into office unopposed, were Mayor Lewis Friend, 502 votes; City Clerk Dorothy Graham, 513; Police Chief Leon Guthrie, 500; Councilman (group 1) J. H. Wilkinson, Jr., 407, and Councilman (group 2) R. B. Simonson, 412.

There were three write-ins among the 598 votes cast in the election: one vote for Ruben Crews for mayor, one for Duncan Padgett for councilman, group 2, and one for Mrs. Velva Elliott, councilman, group 3.

PHS Track Team Off To State Meet

Coach W. D. (Bill) Howard will take four of the top men from the Pahokee High School track team, Robert Goodson, Buford Justice, Earl Meredith and Jerry Roberts, to Gainesville Friday to participate in the State Track Meet for high school athletes to be held on the University of Florida track Saturday. These four PHS track men qualified for the State meet by winning first places in the Class A district track meet at Moore Park, Miami, April 30.

Howard goes to Gainesville with high hopes for Pahokee winning top points in the mile run, sprints and relays. His Robert Goodson, one of the top high school milers in the State, made a clean sweep in South Florida competition this spring, placing first in the South Broward invitational meet, the Miami invitational meet, running both miles in the identical time of 4:43.5. On April 29 he won the mile run for the fourth consecutive year in the Suncoast Conference meet, making the circuit in 4:49.2, a new conference record, 2.8 seconds faster than the old conference record of 4:52, also made by Goodson. His time for the mile to win first place in the district meet at Miami April 30 was 4:47.5. At last year's State meet Goodson was denied victory in the mile run by a two-yard margin by Vernon Duce of Hilliard High School. Duce and Goodson are expected to duel for the mile honors again in this year's meet in Gainesville.

Buford Justice has developed into one of the top high school sprinters of the State this spring. He won both the 100-yard dash and the 220-yard dash at the Suncoast Conference meet and also won these two sprints at the district meet in Miami, running the 100 yards in 10.45 for a new district record and the 220 in 23.7 seconds. Justice is expected to better his performances at last year's State meet when he placed third in the 220 and fourth in the 100-yard dash.

The sprint medley at the district meet was won by the PHS team of Meredith, Justice, Roberts and Goodson in 2:11.5 and this team is also expected to win some points for Pahokee at Saturday's meet.

The PHS 1954 track team, small in number but high in quality, ran up 42 points to place fourth in Suncoast Conference track meet at Vero Beach last week, which was won by Fort Pierce. In addition to Goodson winning the mile run and Justice, the 100 and 100-yard dashes, the Pahokee team of Jerry Roberts, Earl Meredith, Dow

McClelland and Buford Justice won the 880-yard relay and another team composed of Meredith, McClelland, Roberts and Goodson placed second in the sprint medley. In the mile relay Pahokee's team of Donald Waddell, Buddy Parker, Ronnie Goodson and Jimmy Oliver came in fifth place and Meredith placed fifth in the 80-yard low hurdles.

Another athlete in the Goodson family, Ronnie Goodson, is showing promise of following the footsteps of his elder brother, Robert, as a great mile runner. Ronnie placed fifth in the mile at the district meet in Miami.

Pahokee Junior Class Entertains Seniors At Annual Banquet And Prom

The Pahokee High School Junior Class was host to members of the PHS 1954 graduating class at the annual Junior-Senior Banquet and Prom held in the Community Park building at Canal Point Friday night.

In keeping with the "South of the Border" theme of this year's prom, the community hall was transformed into a Mexican hacienda for the festive occasion. Mexican stable boys in bright costumes lay sleeping on piles of straw as the guests passed through the porch into the main hall which the Juniors had transformed into a colorful patio of a Mexican mansion. Endless festoons of crepe paper formed a night blue sky below which hung myriads of twinkling silver stars. Garlands of tropical flowers topped the "stone" walls bordering the patio, which was lined with potted palms. Bright red bougainvillea was entwined in the white archway and trellises at the speaker's platform. Balloons of varied colors and Spanish moss were also liberally used in decorating the hall, while tropical fruits surrounded by croton leaves made up the table decorations.

The program, with Jon Pope acting as toastmaster, was opened with Ronnie Elliott giving the invocation. The Juniors then honored their faculty sponsor Miss Connie Smith, by presenting her with a bouquet of roses.

Introduced as guests of honor were County Superintendent Howell Watkins of West Palm Beach, School Board Member Henry O. Earwood of Belle Glade, School Board Member A. Q. Howell of Canal Point, School Trustee A. R. Harrington of Canal Point and their wives; also the Senior Class and Junior Class room mothers who with their husbands, were guests. Members of the PHS faculty and their wives or husbands were also guests.

The address of welcome to the Seniors was given by Jimmy Schoepel, Junior Class president, with the response by Wiley Howell, Senior Class president. Vocal solos, featuring Latin songs, were sung by Hal Rosenberg and Farris Kincaid. Several songs were also sung by a male quartet, The Sport Tones, composed of Jimmy Schoepel, Ronnie Elliott, Chuck Elliott and Farris Kincaid. Lory Ann Rockwell gave a rendition of the Mexican hat dance and John Williams played a cornet solo. All students and guests joined in the singing of Auld Lang Syne. The benediction closing the program was given by Tommy Elliott.

Boys and girls of the Sophomore Class, barefooted and dressed in colorful Latin-American costumes, served as waiters and waitresses during the banquet which featured roast turkey, with the menu printed in Spanish. Mrs. Ralph Stanley, manager of the Pahokee school cafeteria, and her staff were in charge of preparing the meal.

Highlights during the dancing which followed the banquet, were the promenade of the Seniors and their "dates" and a special dance number honoring Miss Martha Culbertson and Jimmy Oliver, both

Seniors, whose engagement to be married was announced at the prom. Music was furnished by an orchestra from West Palm Beach.

Drainage Board To Quit After 50 Years Service

The half-century-old Everglades Drainage District will go out of existence April 1, 1955.

The final acts of ending the corporate life of the Everglades Drainage District, begun by the Florida Legislature in 1949, were set in motion this week by a letter from State Treasurer, J. Edwin Larson which notified its Board that the Everglades Drainage District owned a sufficient amount of U. S. bonds to pay off the District bonds and other indebtedness.

Legal notices of a public hearing on the final Debt Service Budget of the Everglades Drainage District, to be held in the office of its secretary, Room 622, Comeau Building, West Palm Beach, at 11 A.M. Tuesday, May 27, will be published for the next two weeks in the 11 counties served by the old District.

All canals, rights of way, works and tangible assets of the Everglades Drainage District will go to the Central and Southern Florida Flood Control District, created by the 1949 legislature to handle flood control problems in this part of the state. The Central and Southern Florida Flood Control District has maintained and operated the works of the Everglades Drainage District for the past two years.

The budget, which is on file for public inspection in the secretary's office in West Palm Beach, shows \$117,000 in bonds maturing: \$1,599,000 in bonds to be called for redemption by April 1, 1955; and sets up \$63,960 as the four per cent call premium.

Interest coupons total \$30,030; and an anticipated debt service fund balance, as of October 31, 1954 of \$25,000, is shown.

Car Mishaps Take More Lives Than Disease In State

TALLAHASSEE — Col. H. N. Kirkman, head of the Florida Department of Public Safety, pointed out this week that while parents of teen age children view with alarm every reported case of polio and the public contributes generously in time and money to fight cancer and tuberculosis, they lose sight of the real every day danger their children face.

Statistics recently compiled show that more children are killed or injured from automobile accidents than are killed or injured from all of the above mentioned diseases combined.

Last year in Florida 2,873 children between the ages of 1 and 14 were injured in automobile accidents; in the same age group 93 were killed. During the same period the three dread diseases combined struck only 610 of our children. Thus we see that the automobile today is a far greater menace than polio, tuberculosis or cancer. Parents and public alike could well give sober thought to this dreadful situation and unite in the fight for highway safety which is four times as dangerous to our youngsters as the diseases we fear so much. The automobile has crippled more children than polio yet we give the matter little thought.
